## ABOUT ENERGY | ÉNERGIE

ENERGY is a premier energy policy magazine that provides insight and encourages informed debate on the important energy policy issues of today and tomorrow facing Canadians and their governments. This publication is a forum for dialogue on a range of policy topics in Canada and around the world. Every edition brings together high-end and recognizable thought views and perspectives on markets, international issues, Canada-U.S. issues, Canadian political issues, and energy issues of the day. Advertiser indemnifies CGA against losses or liabilities arising from this advertising. CGA assumes no liability whatsoever, except to the extent of a one time paid advertisement of the same specification, in the next or similar publication, if any proven or admitted errors or omissions have occurred. Payment is due upon receipt of invoice. Interest shall be charged at a 2% per month compounded to yield 26.82% per year on an overdue account. Revisions to previously submitted ad copy are subject to additional charges. A charge of \$30.00 will be levied for returned checks. In the event of a contract cancellation, the advertiser or agency agrees to pay CGA any discount granted for multiple insertions less any discount applicable for the number of insertions completed in the contract. All cancellations must be received in writing prior to the advertising sales deadline. All premium positions are non-cancelable. Ads may also appear in an online version of the publication.
